BOYS & GIRLS CLUBS
OF THE SIOUX EMPIRE

His story starts here...

To inspire and enable all young people, especially those

WHO NEED US MOST,

to reach their full potential as caring, productive, responsible citizens.

It's fairly typical for teens to go through a phase where they struggle to make the right choices and could use a bit of an adjustment to their outlook and attitude. Several months ago, thirteen-year-old Jimmie was one of those "typical teens," he was certain he had all the answers and was rebelling against the advice of caring adults in his life, including our Club staff. Everyone worried Jimmie's actions were leading him down the wrong path...the same path he watched many friends take while living in Chicago. The lessons learned on the streets of Chicago aren't the ones his mom wanted Jimmie to learn, so she packed up her family and eventually settled in Sioux Falls. That's when Jimmie became a club member.

His story starts here... Jimmie was struggling and Darryl, our Education Coordinator wanted to show Jimmie that he cared, but most importantly that he would not quit on him. Darryl realized what motivated Jimmie and what might turn things around for him. The next day Jimmie arrived at the Club and was shocked to learn that Darryl had reached out to Tom Billeter, Men's Head Basketball Coach at Augustana College. Darryl arranged for Jimmie to meet Coach Billeter and to attend a game. Darryl's desire to impact Jimmie's life and find that special motivation for him has transformed Jimmie's attitude. Even more importantly, his experience with Coach Billeter confirmed for Jimmie that athletes must have good grades to play college ball. Since that time, Jimmie has been spending more time in the Club's Education Center. Now, Jimmie's path to success has become clear and his relationship with Darryl is one of respect and gratitude.

To inspire and enable young people, especially those that need us most...Great Futures Start Here!
